Dear Counsel:

This letter acknowledges receipt in this office on April 1, 2021 of the Respondent's "Reply to General Counsel Reply to Respondent's Motion in Opposition to Motion of the Acting General Counsel" in these cases.

With respect to motions, Section 102.24(c) of the Board's Rules and Regulations states that a "party that has filed a motion may file a reply to an opposition to its motion...but in the interest of administrative finality, further responses are not permitted except where there are special circumstances warranting leave to file such a response. See also *D.L. Baker, Inc.*, 330 NLRB 521 (2000), fn. 4. Here, no special leave was requested and no circumstances warranting special leave were presented. Thus, in accordance with the Board's rule and policy, the Respondent was permitted to file an opposition to the Acting General Counsel's Motion for Leave to Withdraw Portions of the Former General Counsel's Briefs to the Board, and the moving party, the Acting General Counsel, was allowed to file a reply to the opposition. No further response is permitted. Accordingly, I cannot forward your April 1, 2021 surreply to the Board for consideration, and it is rejected.

Very truly yours,

Leigh A. Reardon
Associate Executive Secretary
